

EAGLE MILL REDEVELOPMENT PREFERRED RE-USE CONCEPTS PUBLIC MEETING

TUESDAY, MARCH 30, 2010, AT 7:00 P.M.
LEE SENIOR CENTER
CROSSWAY VILLAGE, HIGH STREET, LEE, MA

The town of Lee received a \$100,000.00 grant from the Commonwealth and an additional \$50,000.00 from the U.S. Department of Commerce last year to undertake activities to expedite permitting procedures and develop site analysis for re-use of two "Priority Development Sites" (The Eagle Mill in downtown Lee, and the Laurel Mill on Route 102).

As a result of public input last March, the consultant team hired by the Town of Lee to determine preferred development concepts for the Eagle Mill in downtown Lee have integrated that initial input into a master site study.

The purpose of the public meeting on March 30 is to present the study findings and seek further public comment for a final report.
